Subject: Endpoint Discussion Approach -Some Suggestions
Attachments: Trash TMDL - Sample Endpoint Strategy- For Discussions Only.docx

Hi Jillian,

Please see the attached. It is a suggestion as you, Micka and I discussed in Shepherdstown. I think it is a better way to approach discussions on endpoint. Please feel free to edit as you deem appropriate before sharing out – should you decide to do so.

Sorry I was unwell yesterday and did not get to listen to your message until this morning.

Have a great day!

George
